Homecoming was the big event sponsored by the Student Body. Despite losing the football game to the Enumclaw Hornets, 20-13, Homecoming was one of the outstanding events of the year.

As we step forth into the future, we think back to 1953, when we entered the new high school as hopeful Sophomores. Our leaders were Barbara Nyberg as president, Don Cook as vice-president and Lois Botting as secretary-treasurer. We were well represented by Dolly Gonzales on the song staff. Dolly was also our homecoming princess with Roger Duprel as prince. We had a very successful Sophomore Hop, "the Touchdown Twirl."

The next year we came back as striving Juniors under the enthusiastic leadership of Don Cook as president, LeRoy Sparhawk as vice-president, and Dolores Allard as secretary-treasurer.

The boys went out full force for sports this year, and were well supported by Dolly Gonzales, Glad'delle Domholt, and Eleanor Nelson on the yell staff. Chosen to reign over the homecoming festivities were Eleanor Nelson as princess and Bob Johnson as prince. The juniors heartily participated in planning and decorating for the Junior-Senior Ball. The theme was "Snowflake Serenade."

The long awaited day has arrived. It is September 7, 1955, and we are now the mighty Seniors. We rolled under way with Sam Martin as president, LeRoy Sparhawk as vice-president, Roger Brown as secretary-treasurer, and Sam Lawson as sergeant-at-arms. Our student body leaders were Chuck Blacksmith as president, Dick Brady as vice-president, Sharon Brandt as secretary, and Dorothy Tonstad as treasurer. Our class of "56" was ready for big things ahead.

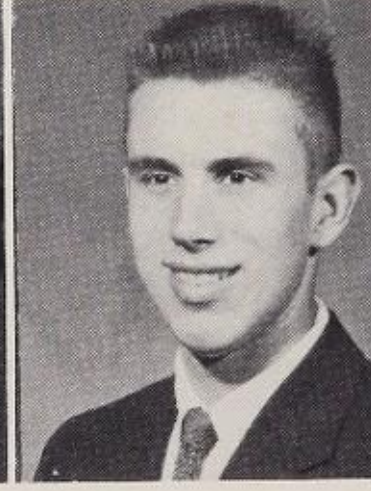

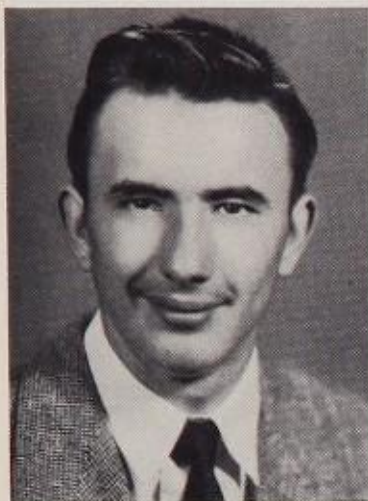

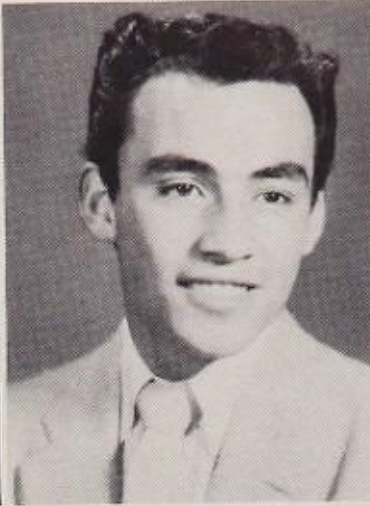

Excitement filled the air as the football season arrived. Although our championship football dreams were not fulfilled, the senior boys participated wholeheartedly trying to put the Trojans on top. The team chose Roger Duprel as honorary captain, and Dick Brady received the coaches' achievement award. Glad'delle Domholt and Jerrene Tate represented us on the yell staff with Diana Sedgemore and Dolly Gonzales on the song staff.

One of the biggest events of the year was homecoming. History repeated itself when Dolly Gonzales and Roger Duprel were chosen to reign over the festivities as Queen and King. The big homecoming game was a thriller with the Enumclaw Hornets nosing out the Trojans 20 to 13.

With the end of the football season, our attention turned enthusiastically toward basketball. As the season progresses, we have hopes of attending the district tournament. The seniors, Bob Johnson (captain), Don Cook, Sam Martin, Roger Duprel, Ron Behrbaum, Stuart Jones, Floyd Knudtson and Dick Brady are keeping the Trojans in the thick of the battle.

The Seniors turned out with full force to make the Junior-Senior Ball the success it was. The theme was "Cupid's Capers."

As we, the class of 1956, go forth to seek further success, we can always look back and be proud of the many achievements of our three years in Auburn Senior High School.

GIRLS' CLUB

"Work hard, participate in all the Girls' Club activities, and you will be awarded your honors at the Mother-Daughter Banquet next May." These sage words of advice were given by President Kay Mulholland to the assembled girls at the first Girls' Club meeting. Her advice was evidently well-taken, for many girls will receive pins in May. This has been a very active year for Girls' Club.

Activities got under way with the selling of candy and coffee at the football games. The girls who sold, and incidentally nearly froze themselves, at those games have something to be proud of because they earned the Girls' Club treasury a good sum of money. In November there was an excellent chance for the girls to win points working on the annual Tolo, "Blues in the Night." The decorations were clever and sophisticated, and all agreed that the 1955 Tolo was indeed a grand affair.

GIRLS' CLUB

At the end of the year, the girls who have worked to earn points are rewarded at the very beautiful Mother-Daughter Banquet. All honors are awarded at this time including the various pins for service, the girl of the year cup, and the three friendship cups. President Kay, Mrs. Hamilton, the Girls' Club Cabinet, and all those who worked hard with them received these coveted honors. They are to be congratulated on a very fine and successful year.

Many of the boys took part in activities sponsored by Boys' Club such as the selling of Trojan pencils, the sponsoring of the annual smoker which was held March 20, and an All-School Track meet which was held at the end of the year.

Several interesting Boys' Club meetings were held throughout the year. An especially interesting program dealt with the topic of skiing.

Mr. Jack Shinkoskey, Boys' Club advisor, and the Boys' Club Council deserve credit for an active and successful year.

BOYS' CLUB SMOKER

The Auburn High Boys' Club sponsored its annual smoker in the high school gymnasium on March 20th. Turnouts began a week before the big event with Mr. Milton coaching the wrestlers and Mr. Shinkoskey the boxers. The battlers had the spectators off their seats many times during the evening with lots of rugged action. Mr. Venn refereed the boxing bouts while Mr. Milton presided over the grunTERS and groanERS.

In the wrestling events, Ron Morrison was smothered by Myron Anderson ten points to two, Ken Blake sneaked by Bill Bentley nine to seven, Roger Duprel outpointed Bob Davis seven to four, and Gary Lavelle won a close one over Don Hocking. In the slugging matches, Bud Wheat defeated Leonard Olsen, Darrold Olsen outpointed Tom Jensen, Lee Haugen scored a win over Gene Olver, Ted McCann won over Jim Lyman, Carroll Johnson beat Dick Kersavage, and Bill Bentley and Ken Blake fought to a draw.

FUTURE FARMERS OF AMERICA

The Auburn Chapter of the Future Farmers of America participated in many activities this year among which was the Northwest Junior Livestock Show. Our chapter had the greatest number of animals entered by any one chapter. There were 25 steers and 22 hogs. The judging team also participated and came out with high honors. At the Enumclaw Spring Dairy Show our judging team and our cattle showman walked away with most of the prizes. All boys who have any kind of livestock entered the Puyallup Fair. Our cattle judging team took fourth place in over-all judging and first place in the Guernsey class. The cattle judging team participated in several contests at various places including the Puyallup Fair, Carnation, Aldara, Portland International Livestock Exposition, and several local farms around Auburn and Kent. The Auburn Chapter also participated in crop judging at Auburn, Bellingham, and Monroe. The chapter then went to Buckley for the parliamentary procedure contest in which we placed third. Bill Bentley and Jim Myrick will represent Auburn in the State Future Farmers of America Convention held at Washington State College.

FUTURE FARMERS OF AMERICA

The Auburn Chapter has something to be proud of this year. We are the second largest chapter in the State of Washington with 117 members. The total investment in farming will total about \$20,000.00 this year. The chapter is valued at approximately \$6,000.00 which includes liquid assets, farm equipment, and shop equipment. The chapter has \$1,500.00 in a loan fund this year. This money is to help some of the members get started in their farming enterprises such as purchasing feed, livestock, and equipment.

The activities mentioned here are only the highlights of a most prosperous year for the F.F.A. boys.

ART CLUB

Under the able direction of Mr. John Davis, Adviser, and Wildora Williams, President, the Art Club has had a highly successful year. Although the Art Club is the smallest service club in the school, it has been one of the most active. Jack Boone, a member of the Art Club, won two gold key awards for his fine art work. The most important project for the Art Club and Art Classes was an enjoyable field trip on March 7, which included visits to the Seattle Art Museum, the Henry Gallery on the University campus, and the Frederick and Nelson State Scholastic Award Show. The Club's annual "Masquerade Ball" provided Halloween fun for many Auburn High students. All in all, 1955-56 has been a worthwhile year for the Art Club.

The schools that were visited were Foster High School and Puyallup High School. There we observed class discussions and saw projects that gave us new ideas. We also visited Frederick and Nelson where we learned about display and window settings. We went to the Brown and Haley candy factory and the Nalley Valley plant in Tacoma.

D. E. CLUB

As something different, we held a dinner-dance, night club style, at the North Auburn Grade School. All the D. E. club in the Puget Sound area were invited. We hired a professional band from Seattle to play for the dance. Everyone had a wonderful time and it turned out to be a big success.

Another project undertaken was the making of merchandise manuals. Each D. E. student constructed a manual on some field of retailing that interested him. The best one was that made by Donna Laurent. It was sent to the state convention to be judged with all other winning manuals from schools throughout the state.

The biggest event of the year for all the D. E. clubs in the state is the D. E. convention which was held this year in Pasco. Representing our club were Jim Johnson and LeRoy Sparhawk.

FUTURE HOMEMAKERS OF AMERICA

In September swarms of Auburn girls in mismatched shoes and wearing clothes backwards took part in an informal initiation of the Future Homemakers of America, one of the largest all-girl organizations in the United States.

Getting the year rolling, we attended the regional convention at Federal Way on October 16. We served at the homecoming tea and entered a float in the parade. Next we became Santa's helpers and filled stockings for hospitalized veterans. After the first of the year we had our formal initiation and emblem service. The highlight of our club year was the Annual Father-Daughter Banquet. This year every girl in Senior High and her father was invited. The chapter attended the State Convention in March. Also a number of Future Homemakers attended the demonstration day in Sumner. We rounded out an active year with a gala style show and the formal installation of new officers at a tea for our mothers.

Disbanding for the summer, we left behind an enjoyable, memorable year with best wishes for much luck and success to next year's F.H.A.

Basketball, volleyball, baseball, ping-pong and badminton are some of the sports that the GAA girls participate in to prove that boys are not the only ones at the Auburn High School who are athletic-minded.

Under the direction of their Adviser, Mrs. Trimble, many of the members earned their school letters. The weekly turnouts, play days, out-of-school sports, and dances sponsored by the club kept the members busy.

“THE FORTUNE TELLER”

One of the outstanding musical and dramatic events of the year was Victor Herbert's operetta, “The Fortune Teller,” capably directed by Mrs. Wilma Hamilton.

The story of the operetta is concerned with a lost lottery ticket and many complications involving soldiers and gypsies and much colorful singing and dancing. To save her brother who has apparently deserted the army, Irma, the heroine, must marry Count Berezowski whom she neither loves nor wants to marry. In the end, it is found that her brother has not deserted but is on a confidential mission for the king. Irma marries the man she wants, and her brother stays in the army.

“The Fortune Teller” was a success largely because of the help from many teachers and students. In addition to Mrs. Hamilton's dramatic direction, Mr. George McKee trained the soloists and chorus and conducted the entire production. Mr. Irvin Wright trained the orchestra which performed splendidly. Student directors included Steve Lightle for drama and Faye Callahan for the dances. Other faculty sponsors and student chairmen included Mr. John Davis and Jerry Smith (stage construction and painting), Wildora Williams (stage setting), Mr. Zollinger, Mr. Kelly, and Pat McMullen (properties), Mr. Stumpf and Jean Emsley (programs), Mr. Hostetter (tickets), Mr. Davis, Jim Adamson, Floyd Knutson, and Bob Wilson (posters), Mr. Larin and Karlene Pautzke (advertising and publicity), Miss Pursell and Mary Schwieger (ushers), Mrs. Dupree and Carol Bowler (costumes).

Based on a Valentine theme, the colorful event was held on February 12 at the North Auburn School auditorium, the first high school affair of such a nature ever to be held there.

Queen of the Ball was attractive Dorothy Tonstad as “Miss Kissable Lips” with King Gib Davis as “Mr. Heartthrob.” The auditorium was decorated with mobiles made up of cupids and hearts which cast a rosy and romantic glow over the gala affair.

FOOTBALL—1955

The 1955 Trojan squad, outmanned and outweighed in almost every contest, showed the courage and drive of a spirited but inexperienced team.

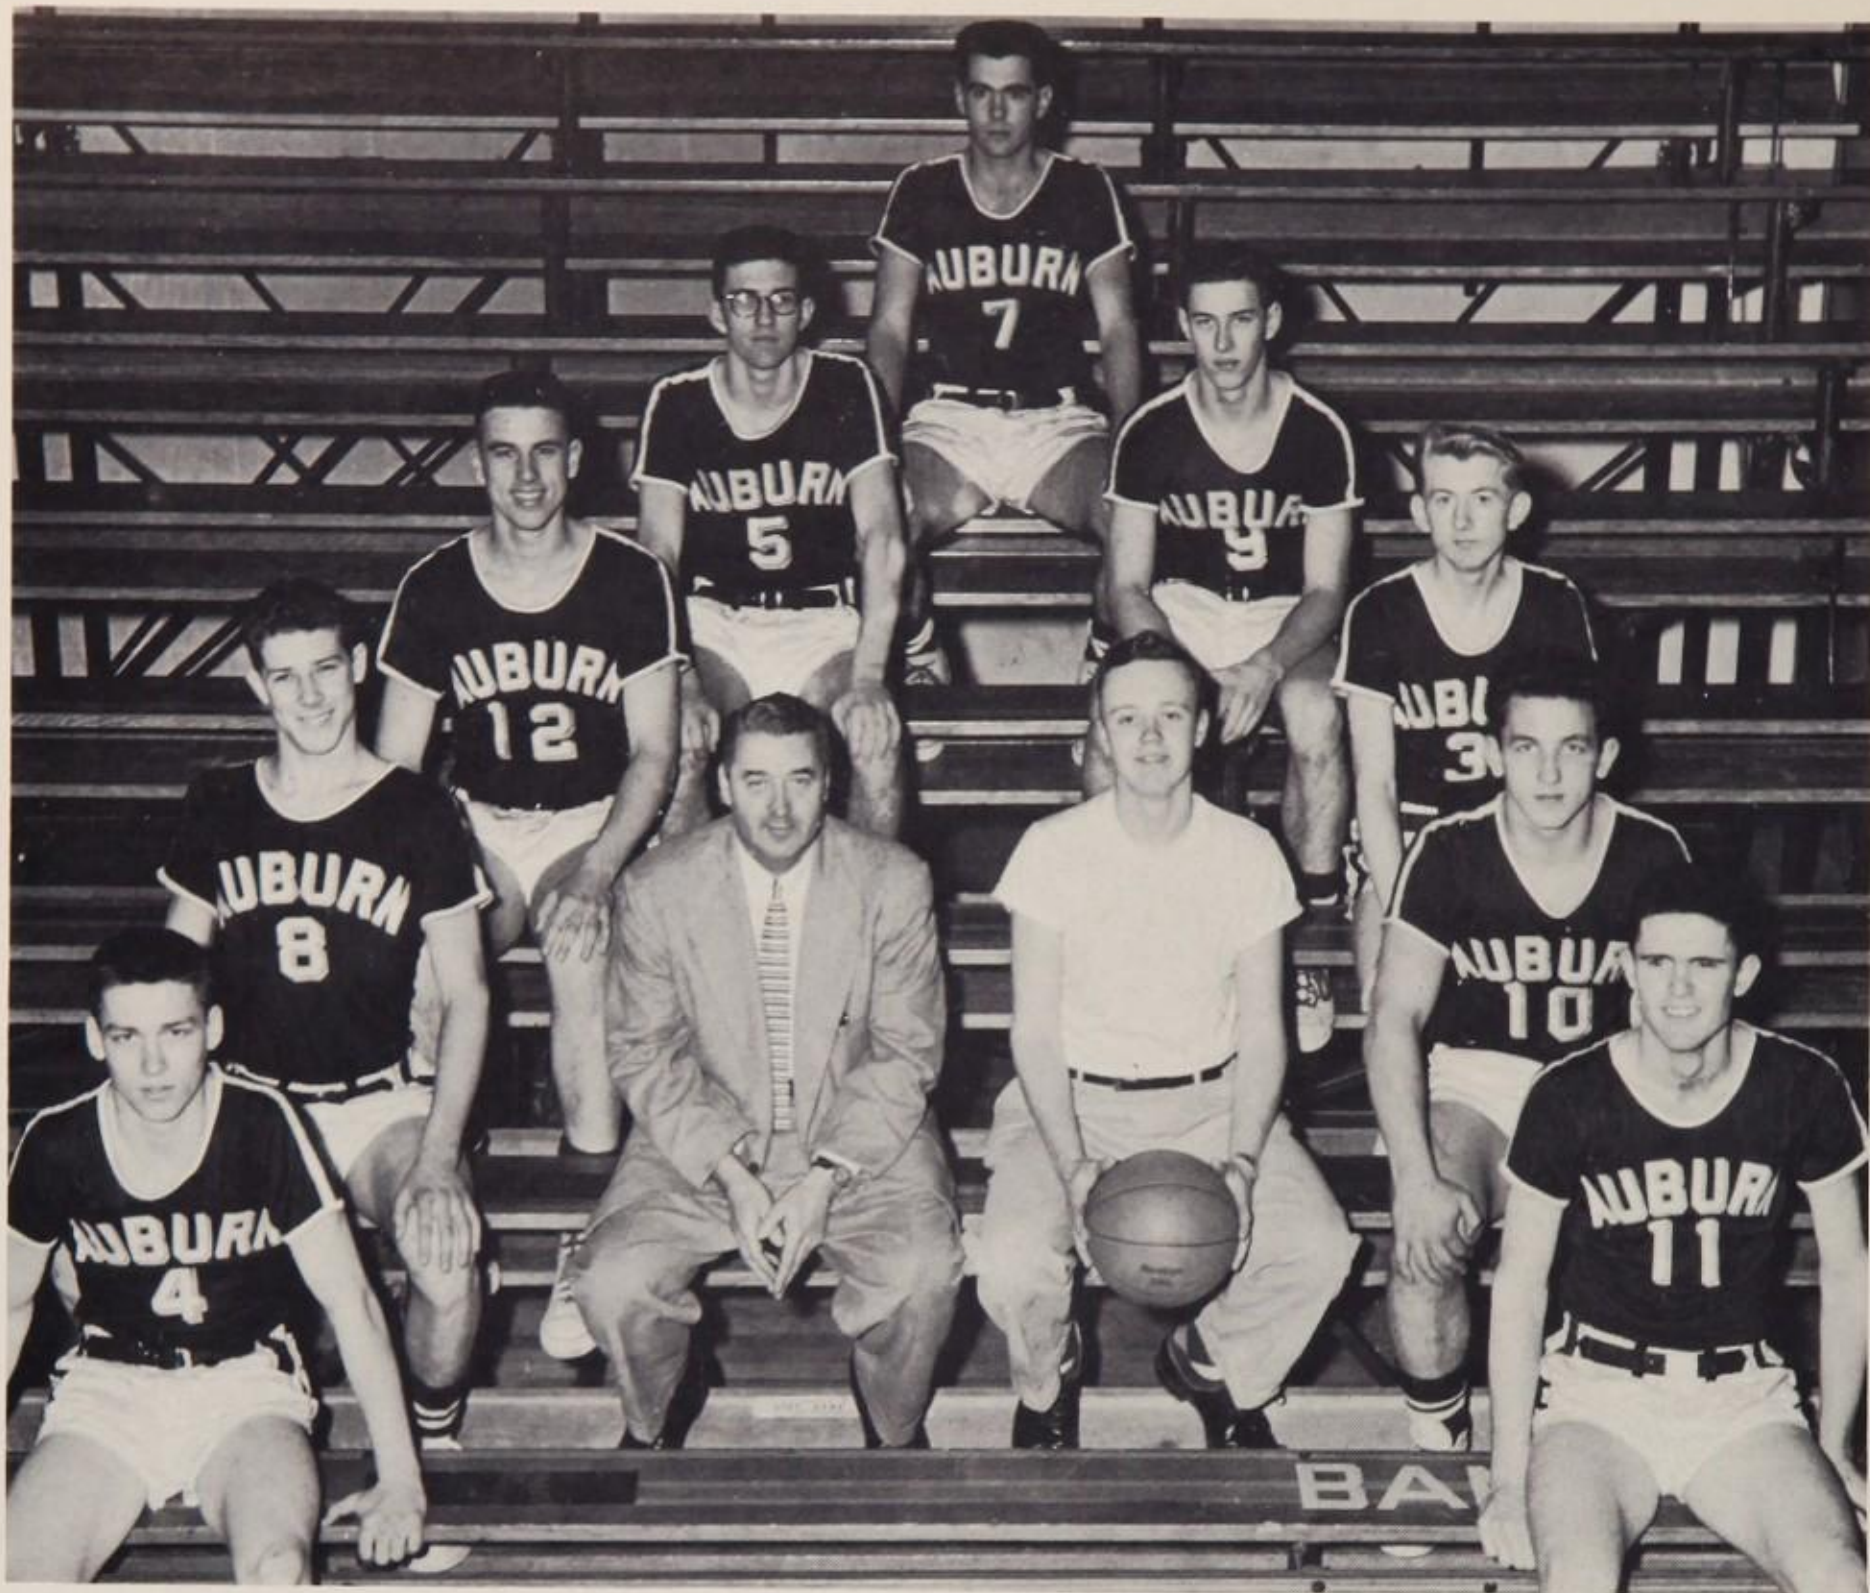

Opening the season against a supposedly strong Snohomish team, the Trojans romped with ease to a 39 to 0 victory. In the Trojans second pre-league game, they lost a hard fought battle to the Red Raiders of Bellingham, 14 to 6. The Trojans were now ready for their first conference game, but met defeat at the hands of the high spirited Clover Park eleven, 20 to 0. Auburn next played host to the Puyallup Vikings who emerged with a 20 to 6 win over the Trojans. The following week found the Trojans travelling to Renton where they lost a 25 to 0 ball game.

Working hard for the next week the Trojans were ready for the big homecoming game with Enumclaw. The first three quarters found the Hornets leading 20 to 0. Not giving up, however, the Trojans tallied twice in the late minutes to narrow the gap to a 20 to 13 score. The next contest proved to be one of the Trojans' most brilliant performances of the season, with Bill Boyer and Roger Duprel crashing through the Highline Pirates' defenses for four big tallies before finally being nosed out by a single point, 27 to 26. Spirits high from this mental and moral triumph, the Trojans merely trounced the Sumner Spartans 21 to 0.

In the next game the Trojans found themselves on the short end of a 6 to 0 win for the Cardinals of Franklin Pierce. Unable to recapture the Taylor Trophy, the Trojans lost their final game of the 1955 season to the state's top team, the Royals of Kent-Meridian, 46 to 0.

Roger Duprel was voted captain of the team by his team-mates for the 1955 grid season. Dick Brady received the Coaches' Achievement Award and Roger Duprel was awarded the Inspirational Award.

Trojans given honorable mention for all-conference were Roger Duprel, Doug Worden, Sam Martin, Dick Brady, Bill Boyer, Tom Johns, Larry Brooks and Roger Durr. The players were selected at the coaches' meeting at the end of the season.

BASKETBALL

*From lower left—Dick Brady (No. 4), Sam Martin (No. 8), Ron Behrbaum (No. 12), Stuart Jones (No. 5), Bob Johnson (No. 7), Bill Boyer (No. 9), Floyd Knudtson (No. 3), Roger Duprel (No. 10), Don Cook (No. 11).
Center—Mr. Ernie Ames (Coach), Roger Brown (Student Manager).*

BASKETBALL

The Auburn Trojans of 1955-1956 won three out of their three pre-season games, but found the Puget Sound League competition a more difficult proposition. They finished in a tie for sixth spot.

For one of the pre-season non-league games, the Trojans flew to Victoria. This was the first time any Auburn athletic team had ever flown.

The Trojans showed excellent passing and shooting ability at times during the season, and got their share of rebounds with Bill Boyer and Don Cook dominating the boards in almost every game. Bob Johnson played excellent ball and carried the team on offense. Bill Boyer, Sam Martin, Don Cook and Roger Duprel proved themselves adequate in total team offense. Strong support was given in reserve roles by Ron Behrbaum and Stuart Jones who came through well in several games.

The Vernon Hall Inspirational award was won by Don Cook for his outstanding job. Bob Johnson won the Scholarship award by maintaining the highest grade point average during basketball season. Bob Johnson also was named Honorary Captain for the 1955-1956 season for his leadership.

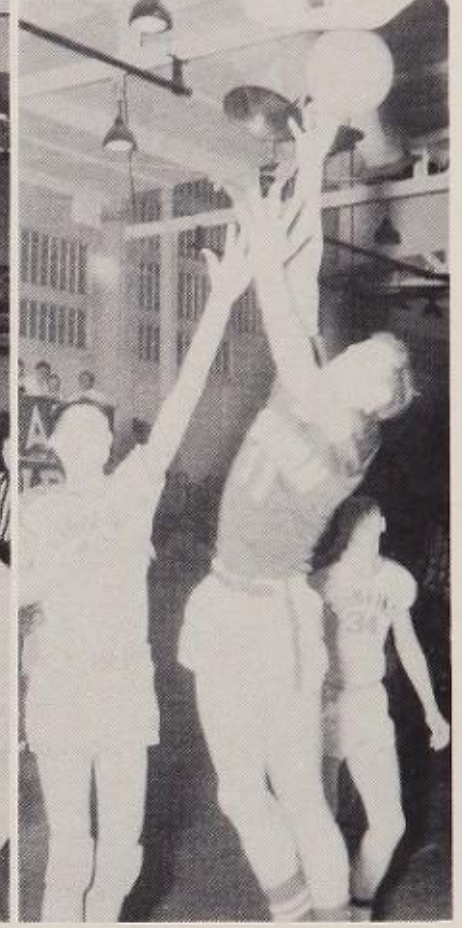

The Trojans should have a "tournament team" next year with one returning letterman and an exceptionally strong "B" squad.

Our yell and song staff commenced a successful year of activity by attending the Puget Sound Yell Leaders' Conference at Franklin Pierce.

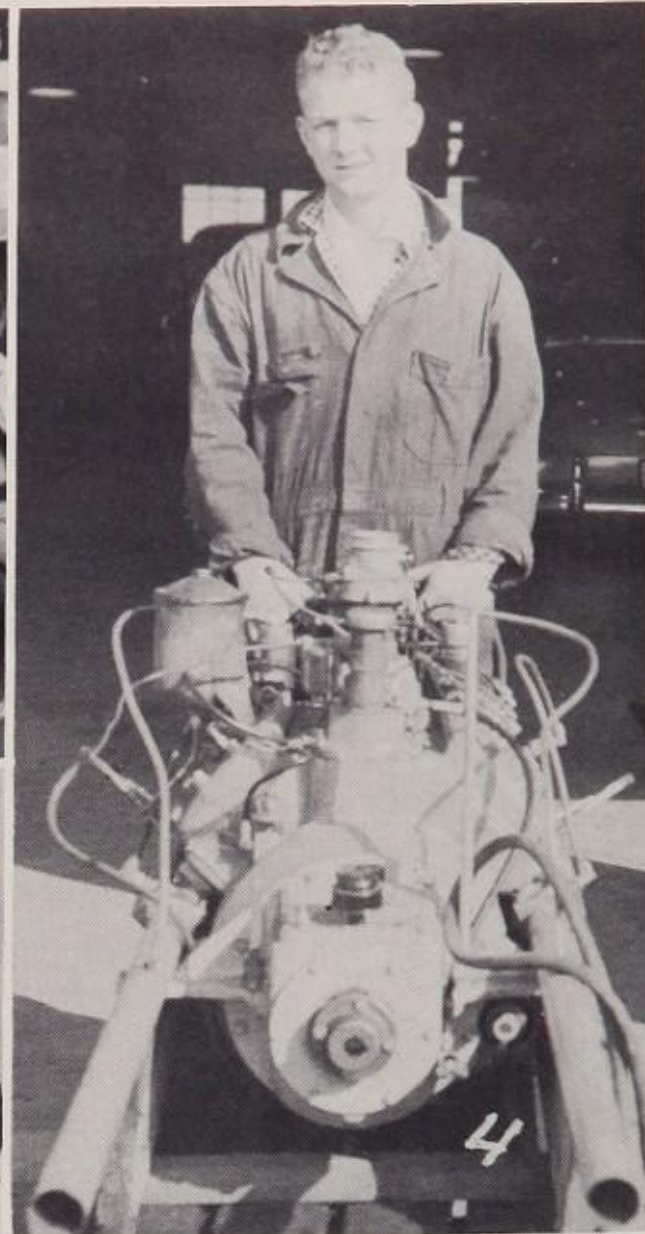

Win or lose, the yell and song leaders were on hand to keep school spirit aroused among the Auburn rooters. The yell and song leaders of 1955-56 deserve a resounding cheer for their efforts to raise school spirit at the games.

1956 Auburn Invader

Printed by the facilities of

AUBURN SUN

(LESLIE PUBLISHING COMPANY)

This year's Invader staff has turned in a fine piece of work—this annual will prove that. Once again it has been our pleasure to work with a fine group of young men and women in producing the “history” of another school year. Much credit is due the annual staff in helping us to print for posterity the important happenings of the 1955-56 year.
